

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., September 20th, 1889 .

Hon. Daniel M. Fox,
Superintendent, U.S. Mint,
Philadelphia, Pa.

Sir:

Repeated requests have been received by this Bureau and by the Treasurer of the United States for gold dollars of the current year's coinage.

I find that on July 27th you were authorized to strike 10,000 pieces of this denomination of coin. In order to meet current demands, and at the same time to prevent speculation in this denomination of coinage on account of the rarity of the pieces, you are hereby instructed to increase the coinage of this denomination of pieces from 10,000 to 25,000 pieces, and to execute the coinage at your earliest convenience.

Respectfully yours,

E. A. Rusk
Acting Director of the Mint.
